

How to Help Ithaca Kitchen Cupboard

Forest Home Chapel dedicates canned or boxed non-perishable food for the Ithaca Kitchen Cupboard once each month. The baskets in the hallway are for your donations anytime.

Please donate nutritious non-perishable foods and most requested hygiene products, such as suggested below. (Recipient families often appreciate organic and other healthy choices.) Packaging should be unopened, cans should be dent and rust free, and “best by” dates should not have not passed.

If you would rather donate money, make your check out to Forest Home Chapel, please clearly mark it for the Kitchen Cupboard and place it in the offering plate.

If you can help in the Cupboard (located in the Salvation Army building in downtown Ithaca) on our monthly Tuesday afternoon from 1:00–3:00, please call Debbie Novelli at 539-6628 or email her at cnovelli@baka.com.
